Purely Business!

The columns of a newspaper represent a cash value. No business man can afford to give advertising "notions" for any more than a merchant can toss over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade and its advertisements should be paid for, no matter in what part of the paper they appear.

We Have!

Always contended for and maintain it is a fact that there is a higher order of intelligence evinced in the business of general merchandise by the people in this and nearby counties than most anywhere else. You will find few persons who do their shopping in Mayville who believe that \$4.98 will buy a \$12 suit of clothes. Our many years experience goes to show that people want good goods, and for which they are willing to pay a fair price. Our 1898 spring business proves that the higher the class of goods the reader they sell. Our beautiful Black and Blue Serge Suits (we sell them at \$12) have bounded into wonderful great favor with our good dressers. We have a beautiful line of them. The weather is getting right for our

That Order Owned the City Last Evening and Made Things Hot.

John V. Keech Council No. 16, Jr. O. U. A. M. was out in force last night and for a time had things its own way.

The Order had arranged to have a big parade, and to wind up the evening by attending the show at Fremont Park.

The parade was all that was wanted. Colonel William Rosser was Grand Marshal of the evening, and mounted on a fine charger led his boys through the principal streets.

Body's Drum Corps furnished martial music, and in the line were wagons in which were seated Uncle Sam and Miss Columbia, followed by other celebrities.

The vessel Merimac, with Captain Ben Smith as Hobson, and the members of the Junior Order, brought up the rear.

Old Zolliecoffer was much in evidence and by its noise added a certain degree of patriotism to the occasion.

After the parade the Order wound its way to Fremont Park and there had things its own way.

Quite a large crowd was present, tickets having been sold extra for the night's performance, proceeds from which are to go for a big flagraining in honor of the achievements of Dewey and Hobson in the Spanish-American War.

Quite a neat sum was realized as fully 1,300 were present, and nearly 1,000 turned away.

The Order wishes to return thanks to the public for its patronage in making the undertaking a success.
